## **AGREEMENT**

This permit will allow the holder to store one boat (up to a maximum 17' &/or 38" width &/or 18" height depending on rack arm location assignment) in a PSR storage space for the current season. No motors, boats or any gear may be stored on the ground. No motors may be stored on the rack. Any vessels or gear improperly stored are subject to removal.

All vessels must be removed from the rack by November 1st. After that date, remaining vessels may be removed and the permittee will be charged a fee of \$100.00 in order to retrieve each vessel.

**I agree to the above, understand & accept any potential risks / liability and will rely on my own good judgment pertaining to weather or other conditions that may adversely affect my vessel.**
